

Jupiter Medical Center Good Clinical Practice (GCP)

I, _____ have read and understand the **Guidance for Industry E6 Guidelines for Good Clinical Practices** provided by the **U.S. Department of Health and Human Services**. **Good Clinical Practices (GCP)** is an international ethical and scientific quality standard for designing, conducting, recording, and reporting trials that involve the participation of human subjects. **Compliance with this standard provides public assurance that the rights, safety and well-being of trial subjects are protected, consistent with these principles that have their origin in the Declaration of Helsinki, and that the clinical trial data are credible.**

The objective of this ICH GCP guidance is to provide a unified standard for the European Union(EU), Japan and the United States to facilitate the mutual acceptance of clinical data by the regulatory authorities in these jurisdictions.
